Dr. Franklin She is a private practitioner who has been providing exclusive orthodontic services for over twenty years. In addition to his clinical practice, he serves as a part-time Clinical Lecturer in the Postgraduate Orthodontic program at his alma mater, The University of Hong Kong (HKU).

At HKU, Dr. She conducts lecture series and workshops covering orthodontic biomechanics, segmented arch technique, skeletal anchorage, and face-driven treatment planning. He also holds the position of Co-chairman of the Perio-Ortho joint consultation clinic.

Dr. She has contributed a book chapter on 3D occlusograms, translated a book on Orthodontic Biomechanics to Chinese, and published articles in journals such as the American Journal of Orthodontics and Dentofacial Orthopedics, and the Journal of Dental Research. He has been recognized with the Fu Minkui APOS Trends Award for the Best Clinical Article.

As an international speaker, he has presented at the Asian Pacific Orthodontic Conference, the World Implant Orthodontic Conference (WIOC), the World Orthodontic Biomechanics Symposium and the EFP International Perio Master Clinic.

He has served as an examiner in the conjoint examination of the Membership in Orthodontics of The Royal College of Surgeons of Edinburgh and The College of Dental Surgeons of Hong Kong (CDSHK). He also served as the Chairman of the Orthodontic Specialty Board of the CDSHK from 2023-2025.
